Senior Portraits

Some Where In Time Photography is devoted to creating timeless portrait memories expressing genuine uniqueness of personality and spirit. The philosophy is to combine originality and inspiration to produce portraits that go beyond the ordinary to create the extraordinary.

The concept – “Simply put”; you get to completely design a personalized portrait photo shoot. After all, it’s *all about you*. The possibilities are unlimited. Location(s) are your choice. Props and vehicles may be used as well as pets and animals. Several outfit changes are great. Music adds to the moment.

The Consultation - The importance of developing a comfortable, relaxed relationship between you and your photographer is essential to capturing a dynamic portrait that reveals the essence of who you are. This “get-acquainted” meeting provides the opportunity to get to know each other, discuss creative ideas, and plan your photo shoot. A 30% deposit is required at the time of booking the date and time.

Preparing for the shoot-You will be provided with details and suggestions on preparing for the shoot.

The shoot – Arriving at the location on the day of the shoot with an organized plan and preparations already made allows the freedom to relax and have fun working with natural poses, lighting and details. Guests of your choice are welcome as observers only to the photo shoot. In the event of undesirable weather and light conditions, the photo shoot will be rescheduled. The balance of payment is due prior to the photo shoot.

Viewing the images – A viewing session will be scheduled at the home office in Broadview Heights approximately 7-10 days after the photo shoot. Please allow plenty of time to review all images and choose your favorites for your final products.

Final products – After viewing the images, you can choose display and gift products along with prints and enlargements you would like. Final products will be ready for pick-up or shipment within 2-4 weeks.
